MEETING CALLED BY :

relationship this year and asked that Extended University move their people off UNMG campus as we need the space they are using. All field centers for Extended University have been closed. One hundred percent of the staffing will be lifted (will be separated from the university) and one hire will be made through enrollment management on main campus and will be placed in Student Services here as more of a tutor/advisor, somebody that will help students in the area who are taking upper division and graduate on courses.
