Pasd: Yes

- e. JbrZimeran - It is the best that Dean will be efficient to be in committee.
- f. An Fak - What came up today at the meeting is that Dean as a secretary should have to come to all the meetings
- g. Jim Says - It is a perfect fit between the Dean and the committee, but that should be in the Dean's briefcase rather than in the committee. Dean Ahmed said that the committee should fly the flag but the committee does not have a flag.
- h. CidyOgden - Dean has given good ideas in the past. It would be good if he could be here.
- i. Smith Rabid - Did you make his agenda item one?
- j. Fak Amakoh - I suggest that we make it a part of the agenda and have the Dean explain that.
- k. Jim Says - I like it. It would be good if Smith gets a

Motion - that the Faculty Senate send a letter to the Dean requesting that he attend the next meeting
